

THE WIZ

A CABLEVISION COMPANY

PURCHASING MANAGERS: ARE YOU READY FOR A TECHNOLOGICAL REVOLUTION?

The speed and evolution of technology are soaring by the minute! That's why, as a corporate leader, you need a supplier who understands your company's growing technological needs.

At The Wiz, we'll provide you with the best "cutting edge" equipment for every segment of your organization. Whether you require peripherals for your offices or digital video systems for presentations, we've got a purchasing solution for you.

Our experienced account managers are adept and committed to making your B-2-B purchasing easier. Ordering becomes simple and convenient with the choice of using credit cards, procurement cards or purchase orders.

NEED A SPECIAL ITEM OR VENDOR ORDER IN A HURRY? No problem...with a 3-square mile + supply base, we have items in stock that are ready to ship when you need them.
